- Valuable networking opportunities
- Most positions are located in Wilmington, Delaware.

Approved For Posting
Office of Student Life

Qualifications

This job posting is for internship assignments for the period May or June through August or September, depending on and tailored to your university schedule.

Target Start Date = mid-May to early June 2018

The following requirements MUST be met for consideration in this student employment program:

- Available to work without interruption for at least two and preferably up to three months during the summer 2018.
- Currently enrolled as a full-time student at an accredited college or university. Graduation date must be after the end of the internship period. Rising Seniors or rising Juniors preferred.
- Candidates should have an understanding of accounting concepts and principles and a facility for numbers.
- Academic major of Accounting (minor in MIS or double majors a plus)
- GPA of 3.0 or greater
- Candidates must have the legal right to work in the U.S. without restriction

In addition to these requirements, we are seeking candidates who have demonstrated the following capabilities:

- Desktop software skills, particularly knowledge and use of Microsoft Excel, Word and PowerPoint (SAP a plus)
- Strong communication skills
- Self-starter with the ability to coordinate and prioritize various assignments
- Ability to research and analyze financial information, enjoying a heavy data and analysis component to your work.
- Ability to interact as a team player
- Ability to complete assignments responsibly and function independently
