Intern- Interactive - Spring 2018

QVC, the world's leading video and ecommerce retailer, is seeking a dynamic and passionate intern to support our cutting edge Global Interactive Department in West Chester! This is a unique opportunity to gain hands-on experience and contribute to exciting work while learning from a world-class organization. If you are a current college student looking for a fantastic, hands-on, PAID part time internship this spring, look no further! We are in search of an intern to join our Global Interactive Portfolio Organization.

Interactive at QVC is a global function, and will determine the future design of our digital platforms and prioritize the introduction of new features and functions for all of our markets. The development of the digital and mobile experience for our customers continues to be one of our highest global priorities and will support QVC's continued digital commerce growth.

In this role you will be assisting in executing and managing the intake and reporting process for designated markets into the overall global interactive roadmap assisting with interactive project portfolio management and tracking.
