

HONOR ROLL OF DONORS

2007-2008

December 2008

Dear Alumni and Friends,

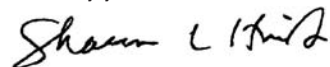

I am very grateful to you for your support of Rosemont. The Honor Roll of Donors enclosed in this edition of *Rosemont Magazine* represents your generosity, as well as the generosity of many individuals, organizations, and corporations.

I am very pleased to report to you that the College raised \$2,310,143.77 in gifts and pledges in the 2007-2008 academic year from alumni, parents, friends, corporations, and private foundations. We surpassed our Annual Fund Goal raising a total of \$1,261,533.69, which included funds raised from our Cresset Award Dinner, honoring Fred and Kathy Mullan Rotondaro, which raised \$202,385.00 towards this effort.

Your contribution provides not only the financial resources for many of Rosemont's initiatives and accomplishments, but also serves as your endorsement of the College's past, present, and future. As it has for decades, Rosemont continues to educate wonderful students in the Holy Child tradition. Thanks to you and your generosity, they will continue to bring that unique Cornelian education out into the world to influence their families, their workplace, and their communities.

Rosemont's future will be, in large part, secure because of your dedication and generosity. Yet, there is still much to be done to ensure that generations of students will benefit from a Rosemont College education. Your commitment is more important now than ever before. As we move ahead with the implementation of our new Strategic Plan, know that I am most grateful that your generous support has made, and will continue to make, the future possible.

Sincerely yours,

Sharon Latchaw Hirsh, Ph.D. '70
President

The 2008 Senior Class Gift

In 2008 the Senior Class raised \$900 to plant trees and shrubs in conjunction with the Presidents Climate Commitment. This contribution from the Class of 2008 and 2008 Student Government Class Officers is the largest Senior Class gift in recent years. The funds enabled Rosemont to plant a Serbian Spruce and two Red Maple trees in field next to the Chapel; Arborvitae and viburnum shrubs in the corner of Mayfield Hall; and four Winterberry shrubs on the "no mow zone" along the creek between Alumni and Cardinal halls. Trees and shrubs are very important to this mission as they help stop global warming by removing carbon dioxide from the air. They also attract birds and wildlife, prevent soil erosion, clean our water, and enhance the beauty of Rosemont's campus. Special thanks are extended to the following Senior Class officers who organized this effort.

Gifts in Honor of Mary George O'Reilly, SHCJ

On May 3, 2008 Sister Mary George O'Reilly '38 celebrated her 90th birthday. As Sister Mary George prepared to celebrate her 90th year, she was asked what she would like for her birthday. Her reply was simple. Sister Mary George did not care for personal gifts or a lavish celebration. What she wanted from the bottom of her heart was to share with the Rosemont community a Mass of Thanksgiving to God for the blessings of these 90 years, and to help Rosemont College to continue to live out its mission in the years ahead. Rosemont College

gratefully acknowledges the following individuals for their generous support to Rosemont in honor of Sister Mary George's 90th Birthday. Gifts in honor of Sister's birthday raised \$190,000 to benefit the areas of greatest need for the College.
