Course Title: Counseling the Exceptional Learner
Course Number: CNS-6093
Course Date: Fall 2018
Course Meeting Times: Tuesdays, 7:30 P.M. - 9:30 P.M.
Course Location: Good Counsel Hall - Room 210
Course Designation: Level II Course (Required for the School Counseling Program) & Level II Elective (Clinical Mental Health Counseling Program)
Semester Hours: 3
Prerequisites: None
Limitation on Enrollment: 18

Instructor: Dr. Thomas DeGeorge
Email: thomas.degeorge@rosemont.edu
Phone: 610-527-0200 ext. 2390
Office: Good Counsel Hall - Room 209-B
Office Hours: T (1:00 P.M. – 5:00 P.M.)
W (1:00 P.M. – 4:00 P.M.)
• Or by appointment

Course Description: The course is designed to prepare school counselors to effectively provide academic, behavioral and emotional guidance to the exceptional learner in individual and group
counseling settings. A historical overview of special education, including legislation and litigation issues will be explored as well as an examination of current practices in the field of special education. Students will review evidenced based strategies for exceptional learners and competencies to be culturally sensitive to the identified populations.

**Rosemont Mission Statement:** Rosemont College is a community of lifelong learners dedicated to academic excellence and fostering joy in the pursuit of knowledge. Rosemont College seeks to develop in all members of the community open and critical minds, the ability to make reasoned moral decisions, and a sense of responsibility to serve others in our global society. Rooted in Catholicism, Rosemont welcomes all faiths and is guided by the educational principles of Cornelia Connelly and the Society of the Holy Child Jesus to meet the needs of the time. Rosemont College values trust in and reverence for the dignity of each person, diversity with a commitment to building an intercultural community, persistence and courage in promoting justice with compassion, and care for the Earth as our common home.

This syllabus is provided to you as a means of conveying what you should expect from this course. It outlines the responsibilities of the instructor in conducting the class – the course content, planned scheduled of classes and assignments, grade components, and method(s) of grading. It also outlines your responsibilities as a part of this class. By remaining in this class, you indicate your acceptance of your responsibilities as a student and agree to the terms specified in the syllabus.

**Note:** The instructor reserves the right to adjust the course schedule and content during the semester to accurately reflect the progress being made by the class. This may result in modifications to assignment and exam due dates and/or course content.

I. **Student Learning Outcomes**

Upon completion of this course, students will be able to:

A. Comprehend how exceptionalities may interact with development and learning to provide individuals experiencing exceptionalities opportunities to promote healthy academic, social, and emotional functioning
B. Understand how to create safe, inclusive, culturally responsive learning environments so that individuals experiencing exceptionalities become active and effective learners

C. Recognize the importance of consultation and collaboration with various school constituencies and community mental health personnel as a means to support the development of exceptional learners

D. Incorporate ethical decision-making when conducting assessment for individuals experiencing exceptionalities to minimize bias and identify areas for improvement at the individual and programmatic level

E. Implement and evaluate a variety of strategies and techniques validated by evidenced-based practices to advance learning and development of students with exceptionalities in individual, group, and career settings.

F. Advocate for individuals experiencing exceptionalities through treatment and intervention as well as knowledge and awareness of policy in education and standards of practice

II. Course Content

A. Through the Lifespan
   a. Understanding Exceptionalities in the 21st Century
   b. Education for All
   c. Inclusion and Multidisciplinary Collaboration in the Early Childhood and Elementary School Years
   d. Secondary Education and Transition Planning
   e. Transitioning to Adulthood

B. Perspectives on Diversity and the Family
   a. Cultural and Linguistic Diversity
   b. Exceptionalities and Families
   c. Support for Family Involvement
   d. Methods of Home-School Communication
   e. Current Issues and Trends

C. People Who are Exceptional
   a. Learning Disabilities
      i. Definitions
ii. Characteristics
iii. Prevalence
iv. Causes
v. Assessment
vi. Educational Placement Alternatives
vii. Current Issues and Future Trends

b. Emotional/Behavioral Disorder
   i. Definitions
   ii. Characteristics
   iii. Prevalence
   iv. Causes
   v. Identification and Assessment
   vi. Educational Approaches
   vii. Educational Placement Alternatives
   viii. Current Issues and Future Trends

c. Intellectual and Developmental Disabilities
   i. Definition of IDEA
   ii. Identification and Assessment
   iii. Characteristics
   iv. Prevalence
   v. Causes and Preventions
   vi. Educational Placement Alternatives
   vii. Current Issues and Trends

d. Communication Disorders
   i. Definitions
      1. Normal Development of Speech and Language
   ii. Screening and Diagnosis
      1. Screening and Teacher Observations
      2. Evaluation Components
   iii. Prevalence
   iv. Causes
v. Educational Approaches and Alternative Placements
vi. Current Issues and Trends
e. Severe and Multiple Disabilities
   i. Severe Disabilities
   ii. Profound Disabilities
   iii. Multiple Disabilities
   iv. Deaf Blindness
   v. Characteristics
   vi. Prevalence
   vii. Educational Approaches
f. Sensory Disabilities: Hearing and Vision Loss
   i. Definitions
      1. The Nature of Sound
   ii. Characteristics
   iii. Prevalence
   iv. Types and Causes
   v. Identification and Assessment
   vi. Technologies and Supports
   vii. Educational Approaches
   viii. Current Issues and Future Trends
g. Physical Disabilities and Other Health Disorders
   i. Definitions, Characteristics, Prevalence
   ii. Types and Causes
   iii. Educational Approaches, Placements, Alternatives
   iv. Current Trends and Issues

D. Exceptional Gifts and Talents
   a. Gifted, Creative, and Talented
   b. Definitions
   c. Characteristics
   d. Prevalence
   e. Identification and Assessment
f. Educational Approaches

g. Current Issues and Future Trends

E. Autism Spectrum Disorder

a. Definitions
   i. DSM-V
   ii. Educational Definition of IDEA

b. Characteristics
   i. Impaired Social Relationships
   ii. Communication and Language Deficits
   iii. Intellectual Functioning
   iv. Responses to Sensory Stimuli
   v. Behavior/Emotional Reactions

c. Screening and Diagnosis

d. Prevalence

e. Causes

f. Educational Approaches. Alternatives, Placements

g. Current Trends and Future Issues

F. Purpose and Promise of Special Education

a. Labeling and Eligibly for Special Education

b. Laws Governing the Education of Exceptional Children
   i. An Exclusionary Past
   ii. Separate is not Equal
   iii. Equal Protection

c. The Individual with Disabilities Education Act
   i. Six Major People of IDEA
   ii. Provisions of IDEA
   iii. Key Features
   iv. Legal Challenges
   v. No Child Left Behind
   vi. The Every Student Succeeds Act

d. Current and Future Challenges
G. Planning and Providing Special Education Services
   a. The Process of Special Education
   b. Collaboration and Teaming
   c. Individualized Education Program (IEP)
   d. Least Restrictive Environment (LRE)
   e. Inclusive Education

III. Methods of Instruction
   A. Lecture and Discussion
   B. Assigned Readings
   C. Application of Skills and Feedback
   D. Case Studies

IV. Methods of Assessment

A. **Field Experience Reflection**: Students will identify a community or educational setting that children and/or adolescents experiencing exceptionalities attend for academic, social, or emotional development. This activity is not meant to focus on regular education settings. Instead students should focus their search on alternative placement settings and after school community activities. A list of such facilities can be found through the following website: [http://phillyfamily.com/resources-for-families-with-special-needs-in-philadelphia/](http://phillyfamily.com/resources-for-families-with-special-needs-in-philadelphia/). Once students have identified a site, they must schedule to take a tour of the program to better understand what resources, activities, and supports the facility
offers to their intended population. It is encouraged to consider a list of questions that may be asked during the tour. Students will be required to write a 3-5 page paper reflecting on their experience at the facility, the services offered by the facility, and what could potential be improved to enhance the mission of the facility.

**Student Learning Outcomes:** A, B, E, F

**Total Points:** 20-Points

---

**B. Individuals with Disabilities Education Act (IDEA) Review:** From Weeks 2-7 students will attend class sessions prepared to discuss how the 6 main principles of IDEA apply to the profession of school counseling and can be utilized to support the needs of students experiencing exceptionalities. The 6 main principles of IDEA are the following: (1) Free appropriate public education, (2) Appropriate evaluation, (3) Individualized Education Program (IEP), (4) Least Restrictive Environment (LRE), (5) Parent and student participation in decision-making, and (6) Procedural safeguards. Students will be required to understand how each principle is defined within IDEA and how it may be applied to the roles and functions of school counselors. Students should arrive to each class session prepared to submit a 1-page document outlining each principle.

**Student Learning Outcomes:** A - F

**Total Points:** 5 X 6 = 30-Points

---

**C. PaTTAN Website Review:** The Pennsylvania Training and Technical Assistance Network (PaTTAN) works in concert with the Bureau of Special Education and Pennsylvania Department of Education to offer information and resources to education, counselors, and parents. For this assignment, students will work in groups of 1-2 and access the PaTTAN website - [https://www.pattan.net/](https://www.pattan.net/) - to review and understand material offered by PaTTAN regarding one exceptionality. Under the “Disabilities” tab on their homepage PaTTAN lists the following exceptionalities: Autism, Blind-Visual Impairment, Deaf and Hard of Hearing, Deaf-Blind, Intellectual Disabilities, Speech Language, and Traumatic Brain Injury. It will be the students’ responsibility to select one of these categories and learn about all information and resources available to present within a presentation to the class. Your selected category will need to be approved by the
instructor. Students are encouraged to review all information for their selected
exceptionality to create the most comprehensive presentation.

**Student Learning Outcomes:** A, B, C, E, F

**Total Points:** 25-Points

D. **School District Website Review:** School District websites offer a plethora of
information describing efforts to support the needs of special education students and
gifted education students. Students will work in groups of 1-2 and be responsible for
selecting a school district and reviewing information pertaining to both of these
demographics of students. Students should consider information on assessment, supports,
inclusion, services, parent involvement, planning etc. Students will compare and contrast
this information with the knowledge gained from the PaTTAN Website Review and the
IDEA Review assignments in an effort to understand how legislation is being adhered to,
evidenced-based practices are be implemented, and how to potentially improve offered
services or modify strategic plans. Students are encouraged to review all information for
their selected school district to create the most comprehensive presentation.

**Student Learning Outcomes:** A - F

**Total Points:** 25-Points

V. **Final Grade Scale**

**Note:** All students in the Graduate Counseling Program MUST receive a grade of “B” or higher. If a student fails to do so, he or she must repeat the course before continuing in the program.

Graduate Counseling Handbook for additional information about course grades and academic
integrity: Rosemont Handbook

**SGPS Academic Catalog**

**Graduate Counseling Student Handbook**
Students are responsible to become familiar with and will be held accountable for the information on the following topics that can be found within the Academic Catalog.

**Attendance Policy:** Timely, consistent attendance in class has been shown to have a direct correlation to student performance. Missing classes causes students to fall behind in the course material. The policy for this class is that undocumented absences and tardy attendance are unacceptable. Absences are permitted only in cases of illness or other legitimate causes (family emergency, death in the family, etc.). Official notice that a student has presented documentation for an absence is sent from the Office of the Dean of Students to faculty on a timely basis. In cases of a documented absence from a class, the student has both the opportunity and responsibility to make up all class work missed.

Students are allowed documented absences equivalent to one week of classes for any course in which they are enrolled. This amounts to three absences for a class that meets on MWF schedule, two classes for courses meeting either on a TR or MW schedule, and one class for labs and classes that meet only once a week. Absences are counted from the first day of class.

Entering the class late or leaving the room during class interrupts the classwork in progress and is disruptive to the learning process for students who are trying to learn. Class attendance is required, and roll is taken each period. Serious tardiness may result in a failure of the course.

**Academic Integrity:** Academic integrity is important to the intellectual climate at Rosemont College. Violations of academic integrity cannot be tolerated and may result in the student’s failure in a course and/or suspension or expulsion from Rosemont College. Academic dishonesty includes but is not limited to: plagiarism; fabrication of data, information, or citations; multiple submissions of the same work in different courses; and cheating on exams or assignments. Cheating of any kind WILL result in a zero on the work in question and a letter grade reduction in the course grade after the student’s grade is calculated using the zero on the work in question. At the instructor’s discretion, it may also result in failing the course and/or reporting of the incident to the administration for further action.

**Class Assignments:** Assignments that are not completed by the stated deadline will not be accepted, excepting that submission of assignments that are late due to legitimate medical reasons or other extraordinary circumstances will be considered. Such circumstances must be supported by written documentation from an acceptable third party.
**Communications:** Changes in schedules, assignments, guidance, etc. will be communicated only to your Rosemont e-mail address. E-mail is the preferred way to communicate with the instructor and must be sent to the e-mail address listed on the front of this syllabus.

**Disability Statement:** If you have been approved for accommodations under ADA/504, please speak with the professor outside of class so that it is certain that all accommodations are provided promptly and completely. If you have not yet been approved for accommodations under ADA/504, but believe you might be entitled to them, please contact the Dean of Students in the Student Life Office at extension 2400 immediately. It would also be wise to speak with your professor, since temporary arrangements may be made under certain circumstances.

**Student Concerns:** Students who have any course-related concerns should talk directly with their faculty member prior to the next class meeting. If a mutually acceptable resolution cannot be achieved, the student is advised to follow the procedures outlined in the appropriate Student Handbook.

**Cell Phone Use:** In order to be able to receive campus-wide safety or weather alerts, cell phones may be left on vibrate only during class. Absent prior permission from the instructor, students may not acknowledge other messages or phone calls nor may they ever send or received text messages during class. Please keep your phone hidden from the class and on vibrate only. Cell phones should not be used for internet purposes unless related to class assignments and instruction.

**Use of Laptops or Other Electronic Devices:** The use of personal laptops and other electronic devices during class sessions is strongly encouraged for the purposes of researching course material and engaging in classroom discussion. Students should not use their personal laptops for any other purposes during any class session. Failure to abide by this policy may impact your final grade.

The use of personal cell phones during class session is strongly discouraged. If you experience an emergency situation please communicate the potential to receive a phone call during the class session at the start of class. You will be permitted to step outside the classroom to receive your call. Please do your best not to disturb the learning process in the classroom.

**Recording Lectures:** Neither video nor audio recording may be made of any lecture in this course without the express consent of the instructor.

**Inclement Weather:** The Rosemont “snow number” is Montgomery County 342. Announcements of closings are also posted on the website and placed on the main college number, 610-527-0200. Students are encouraged to register their cell phone or email address to e2Camplus on the iWay for cancellation notices.

**Course Website:** Information for this course, including, but not limited to, an electronic copy of this syllabus, is available through the course website located in the Rosemont College online learning portal (Canvas) located at [https://rosemont.instructure.com/login/canvas](https://rosemont.instructure.com/login/canvas). See your instructor if you have questions about accessing the course website.
Submiting Papers Electronically: Writing assignments for this course are to be submitted electronically via the course website.
