

ROSEMONT COLLEGE

Bachelor of Arts in Applied Psychology

Rosemont College is a community of lifelong learners dedicated to academic excellence and fostering joy in the pursuit of knowledge. Rosemont College is also committed to helping students expand their professional network and steering undergraduates toward career opportunities.

As a BA in Applied Psychology student, you will critically examine historical and contemporary perspectives on how people think, feel, and behave. You will become knowledgeable in psychological methods, and apply them to understanding human behavior in professional, family, and community settings. There are many growing fields that are in need of a psychology major's skills. Rosemont's Applied Psychology Department will be there to cultivate and hone your skills. Psychology is one of the most popular undergraduate majors and there are many different job possibilities for graduates.
