

Internship Opportunities

Campbell is driven and inspired by our purpose: Real food that matters for life's moments. For generations, people have trusted Campbell to provide authentic, flavorful and readily available foods and beverages that connect them to each other. This concept is also shown through our commitment and investment in the University Recruitment Program.

Real conversion success stories – The University Recruitment Program is a part of Campbell's Workforce Strategy. The intent of the program is to convert high performing interns / co-ops into full time employees

- Real access and connection to leadership – During your internship / co-op experience you have the opportunity to formally and informally engage with leaders across the organization
- Meaningful projects with Real business outcomes – Whether you are supporting a new product launch, line extension, process efficiency or workforce succession plan our interns / co-ops have the ability to make an impact on current and future priorities

That's just the beginning. If you feel you have the ingredients to be extraordinary, please learn more about our opportunities and programs below.

Campbell's offers 3-month internships and 6-month co-op positions that will provide you with tangible work experience in your field or area of study, the inner workings of Campbell Soup Company, innovation and leadership. This means you will:

- Collaborate on cross-functional teams, as part of a diverse group of employees
- Meet executive leaders during "coffee chats" and "lunch-n-learn" events
- Participate in networking and community outreach activities
- Make a difference

Interns and co-op participants also have many opportunities to network with their fellow students, at both undergrad and Graduate level. Whether it's participating in a coffee chat, a sporting event or volunteering in the community, you'll be provided with the opportunity to participate in a well-rounded and structured program. Areas of opportunity include:

Undergrad Graduate

Finance Marketing

Supply Chain Finance

R & D Human Resources

Communications
