Keystone Human Services - Exton, PA

Community Support Professional

Keystone Autism Services is seeking Community Support Professionals (CSP) to join our mission in working together to serve the community and creating an environment where all people can grow, make choices and be valued and contributing members of society.

The CSP is a clinically oriented position that provides one-on-one support within residential and community settings for adults living with autism. This position implements objectives consistent with an individualized support plan, assists in skill development and evaluates and monitors goal progress.

Schedule:

- Full time, minimum of 40 hours per week
- Part time, minimum of 20 hours per week
- Shifts will vary and include a mix of weekdays, weekends and holidays
- Additional shifts may be required based on the needs of the program

Minimum Requirements:

- Bachelor's degree in psychology, social work, sociology, education or similar human services field with three months previous work/internship experience in human services or related field
- Bachelor's degree in an unrelated field, with the at least one year, full-time work experience providing direct support to adults and/or adolescents
- Successful completion of criminal background checks and clearances
- Valid driver's license and daily access to a properly insured vehicle
- Experience working with individuals living with autism is preferred

Keystone Human Services offers a great work environment, excellent benefits, career development and advancement opportunities!

Keystone Human Services is an Equal Opportunity Employer

Job Type: **Full-time**
