Graphic, Web, Logo Design Internship

Internship

We are looking for an intern for Graphic and Web Design. Knowledge of Graphic Design and Web Design required. Must be willing to learn, switch gears quickly, and be comfortable expanding one's knowledge base (we do a lot of multi-media work both on and off site, i.e - Photography, Videography, Graphic Design, Web Design, SEO, Printed Media, etc).

Must be proficient in Photoshop, Illustrator, InDesign, Dreamweaver, Wordpress, and understand HTML and CSS. Additional skills that are preferred but not required: Video Editing (i.e. - After Effects, Final Cut Pro, and Premiere Pro).

Must be able to travel to Conshohocken (office area, work station, and software supplied). Must be proficient on an Apple/Mac desktop. This is a desk position and also open to individuals with disabilities.

Available immediately. This position is for someone who wants to turn an opportunity into a career. This position also offers college credit if it is needed.

If interested please forward a brief summary of qualifications and/or a resume with complete contact information. Please include availability for on-site interviews.
