Full Job Description

About Behavior Interventions

For over 10 years, Behavior Interventions has been serving families in Pennsylvania, New Jersey, and Delaware. We have created an innovative and collaborative environment for Behavior Technicians and Registered Behavior Technicians to develop their skills and serve families providing ABA (Applied Behavior Analysis) across various settings. Our goal to become a world leader in ABA services is focused on research and clinical excellence.

We have the following case(s) open in Montgomery County:

- Norristown
- Plymouth Meeting

Here's what we're looking for...

We are seeking dedicated Behavior Technicians and Registered Behavior Technicians to work in the home, school, community, or treatment centers. Behavior Interventions staff goes where our families need us!

- Morning/ early afternoon availability weekdays for sessions 2-5 days per week. Length of sessions vary from 1.5 hrs. - up to 6 hrs. per session. Morning/ early afternoon cases are generally between hours of 9am - 12:30pm but can extend to 2:30/3:00pm.
- Weekdays after-school availability for 2-5 sessions per week. Length of sessions 1.5- 3 hrs. per sessions generally between the hours of 3p-6:30 pm
- Weekend opportunities available / flexible
- Flexible/part-time hours with availability to build larger caseload

Here's what your role as a Behavior Technician/ Registered Behavior Technician may look like ...

- Create your schedule based on your preferences and our open referrals
- Working 1:1 to meet individual goals
- Implementing Applied Behavior Analysis
- Collect data on observable behaviors to measure progress

- Implementing instructional plans & behavior support plans (daily living, social, and play schemes)
- Use positive approaches to create meaningful change
