## About KinderCare Education

**KinderCare Education is rooted in a profound respect for children, and providing them with the very best start in life is our purpose and our mission. For us, that means a total commitment to educational excellence and the nation's very highest standards of care.**

Our proprietary Early Foundations® curriculum and Champions programs employ the most up-to-date science about how children grow, learn, and develop. We also have more accredited child care centers than any other early childhood education provider.

**Families and teachers are at the heart of what we do.** That's why we develop warm, compassionate, and strong connections with every one of our families and focus on hiring and training the best early childhood educators in the business.

## What is a Virtual Hiring Event?

Virtual hiring events are a great way for employers and jobseekers to connect, even if they aren't in the same physical location. Hiring is a human process, and they would like to talk with you online (either through chat, on the phone, or video) to see if you're a fit!

This is a sponsored ad for a Hiring Event which will be hosted by a third party. Indeed makes no guarantee about the accuracy of the ad's details.
